Mike Mimnaugh, Jennifer Norris,
Beth Maisenbacher, Andy Boothby,
Tom Stummer, Chad Texter,
Pat Piccininni, John Paider*

The UA Boosters Club manages the high school concessions for Marv Moorehead stadium and basketball games. The Boosters purchase and maintain inventory/equipment for the concession stands and schedule/train the "volunteer" workers. Concessions are the club's only fund-raiser. During the last school year, Boosters made over \$30k in grants to various programs at the high school and paid out over \$25,000 to the various programs that provided volunteers. Most of the time commitment to the board entails assisting on football Friday nights.

In recent years, UA Booster grants have provided support for:

- Water Polo nets/goals
- Softball dugout fencing and equipment
- Football communications, blocking sleds and equipment
- Electronic swim timers and training power tower
- Volleyball nets and padding
- Sound system for the Marv and Cheerleading
- Gymnastics floor mat
- Girls and Boys soccer goals and nets
- Boys and Girls *Shot Back* basketball shooting aid
- Training Room bicycles and therapy equipment
- Tennis training aids and equipment
- Lacrosse safety nets and camera equipment
- Weight room equipment and technology
- Stadium and gymnasium sideline benches and chairs
